

REVIEW OF CLIENT CARE PLAN

Employee Care Plan Review Acknowledgement

This form verifies that employees understand how to access, review, and respond to a client's care plan, and that they know the correct procedure for reporting or implementing any updates.

Purpose of Review

- ☐ Understanding where and how to locate the client care plan.
- ☐ Knowing what steps to take when updates or changes are required.
- ☐ Ensuring all changes are communicated to the appropriate parties.
- ☐ Maintaining compliance with agency policies and client safety standards.

By signing below, I confirm that I have reviewed the client care plan process, understand my responsibilities, and agree to follow all established procedures regarding documentation and communication.
