

Dare To Care Home Care – SOP Manual

New Hire

1-New hire applications come in on the email address daretocarehomecare@outlook.com

2-Print the application out. If we are currently in need of caregivers proceed with the following:

3-Criminal background investigation

<https://www.cbirecordscheck.com/>

After a criminal background investigation is returned. We will determine if the candidate is going to continue the process.

4-Dora verification.

<https://apps2.colorado.gov/dora/licensing/lookup/licenselookup.aspx>

5-Contact the candidate and have them come into the office and bring their drivers license and Social Security card.

At this time, they will fill out their paperwork for the following:

-Caps -Colorado adult protective services

-I-9 paperwork

6-Background checks

a. caps background check. <http://ccu.colorado.gov/>

b. e-verify check. <https://everify.uscis.gov/c/cases>

7-Enter candidate into the Care Time system

Login to Care Time → Click on caregiver → Caregiver list → Proceed by entering the caregiver information (name, address, telephone, email). Save.

After saving, click back on the caregiver's name to ensure everything was properly saved.

Scroll to the end of the profile page of the caregiver → Click on send welcome email

8-Send new hire paperwork to their email to review- make sure it is complete while in the office.

Go over the orientation paperwork and have them sign.

Go over the skills checklist and check off the skills they do know.

9-Email the caregiver and send them the six caregiver courses to begin. Explain to them they will be paid for the training courses upon hire.

[Consumers Rights & Behavior Management \(1 Clock Hour\) \(thebizofseniorcare.com\)](https://thebizofseniorcare.com/consumer-rights-behavior-management)

Let them know that they must download each certificate after the course and email their certificates back to daretocarehomecare@outlook.com

Create Caregiver Folder

- Choose a green folder
- Place a file tab on folder and write caregiver name- last name first
- Place application into file
- Place background checks into file, including the following: DORA, CBI, EVERIFY, CAPS
- Picture of drivers license
- New hire packet (Print from Go Forms)
- Orientation form signed
- Caregiver checklist signed
- CAPS form signed and filled out
- I-9 form signed and filled out

Include six caregiver courses in file:

- Emergency preparedness
- Abuse and neglect
- Basic first aid
- Consumer rights and behavior management
- Home safety
- Infection control and universal precautions

New Client

New clients are sent via email. They could either come from Rocky Mountain Human Services in a secured email, or from Developmental Pathways in an email.

We may also get referrals that are self-referrals, which may come either through email or a phone call.

Steps to enter a new client referral:

Initiation letter

You will receive an initiation letter, which basically tells you the client's name, Medicaid number, and what services they will have.

- RCPC: Relative Care Personal Care
- HMKR: Homemaker services

It will list how many hours they have in each. Example: RCPC 20, HMKR 5.

Notice to Provider of Initiation of Services

Date: 10/14/2024

Client Name: [REDACTED]

State ID: [REDACTED]

Provider Agency Name: Dare to Care

Fax/Email: Daretocarehomecare@outlook.com

Type of Service Provided: Homemaker

Type of Notice: New Referral

Effective Date: 10/14/24

Comments: 4 hours a wk

Information sheet

You will also receive an information sheet that includes the patient's name, address, telephone number, sometimes their physician's name and telephone number.

PAR (Prior Authorization Referral)

You will also receive a PAR. Within this Prior Authorization Referral, you will see the services listed that they have covered.

Example:

Medicaid ID: A2876
Client First Name: [REDACTED]
Client Last Name: [REDACTED]
Selected Benefit Plan: HCBS-Elderly, Blind and Disabled (EBD)
PA Number: TBD
Certification Start: 07/01/2025
Certification End Date: 06/30/2026
Status: APPROVED
Agency Name: Rocky Mountain Human Services

Support Level:
Total Spend: \$0

Services

Number	Procedure Code	Service Title	Rendering Provider (optional)	Units	Total Dollars	Start Date	End Date
02	S5130	S5130 - Homemaker Svc U2		3546	\$23403.60	07/01/2025	06/30/2026

Process in Care Time:

1. Log into Care Time → Client → Client List → Add Client.
2. Enter the client's information from their information sheet (name, address, phone, physician).
3. Under Client Profile → Insurance and Authorizations:
 - Add COHCPF, Address: PO Box 30, Denver, CO 80201
 - Insurance ID = Medicaid ID number
 - Diagnosis code = R53.1
4. Add authorizations:
 - PA number = authorization number
 - Choose procedure code from drop-down menu
 - Units = 15 minutes
 - Dates: beginning = certification date, end = certification end date
 - Save.

Process in Go Forms:

1. Go into Go Forms → Create form → Find client admission (17 sheets).

2. Enter client name, address, phone, physician information on the required sheets.
3. Save.
4. Go back into the list where you now have a new admission form.
5. On the right, click the three dots → Choose Rename → Rename as “Client First Last Client Admission” → Save.

Entering client admission information into Care Time:

- You will be notified by email that the client has been admitted into Dare To Care.
- Go to Go Forms → Look for the client name and the most recent client admission packet.
- Open the admission packet in Go Forms and review client admission information.
- Scroll down and find Care Plan.

Entering care plan into Care Time:

- Go to Care Time → Client profile → Care needs.
- Enter the client’s care needs (e.g., laundry, hair care, number of pets, etc.).
- Save.

Supervisory Visit

Every client must have a supervisory visit every three months starting from their date of admission.

Process:

- Go to Go Forms → Click Create → Find Supervisory Visit
- Determine which client you are calling
- Call the client and ask the questions included on the supervisor revisit form
- Save the form
- Find the completed form → Click three dots → Rename as 'Client Name Supervisor Visit'
- Save and complete the form
- Print and place in client file

This continues as long as the client is active. Every anniversary year, an in-person supervisory visit must also be completed.

Marketing

Marketing must be completed twice a month. The office manager may choose any half-day for marketing.

Marketing includes:

- Emails to Rocky Mountain Human Services case managers (list available online and printed near copier)
- Emails to Developmental Pathways contacts (collected manually)
- Flyers sent to physicians or primary care providers within 25-mile radius

After marketing:

- Go to Care Time → Input the facility that has been emailed or mailed Dare to Care information
